Les Résidences Soleil Manoir Laval

Dear residents,

Screening

A second screening will take place next Monday and Tuesday.

The management of the CISSS tells us that if the situation is stable, they will quickly consider confirming the dates of vaccination. The screening team will start after 8:00 AM.

- **March 8**, floors : 2, 7, 8, 10, 14, 16, 17, 18, 19, 21, 22, 23.
- **March 9**, floors : 3, 4, 5, 6, 9, 11, 12, 15, 20, 24, 25.

Psychosocial help lines

If you have any concerns, worries, need psychological, social, help or if you believe you are starting a symptom, we invite you to contact us immediately through the intercom in your apartment. We are there for you 24 hours a day.

In addition, a team of doctors, nurses and social workers joined our team on site to follow up on residents who are positive for COVID-19.

In addition, as of today, March 6, 7 and 8, the CISSS de Laval will offer you the help of interveners from 8:00 a.m. in the morning to answer your concerns or questions related to the current situation, the postponement of vaccination, or whatever. You are invited to leave a message at the call center at **450 668-1804, extension 47522** and a professional from the CISSS de Laval will contact you.

Also, for all urgent psychosocial needs, the Info-Santé line offers a 24/7 listening and assistance service. **Dial 811, option 2** for immediate support.

More than ever, it is essential to apply health measures. We do everything to protect you, please help us! ♥

What is a healthy or asymptomatic carrier?

A person can carry the COVID-19 virus without having any symptoms and can pass it on to others without knowing it
