

# Lift of public health measures in RPA **Les Résidences Soleil**

Document created by Les Résidences Soleil, summarizing Lift of Public Health Measures in RPA.

Yellow

**June 25**

**Dear Residents,**

- As of June 25, 2021, Public Health is **authorizing relief for fully vaccinated people.**
- People who are fully vaccinated will be able to meet in a private place (such as your apartment or your family's home) without the obligation to keep the mask and distance.
- This relief applies if you wish to receive another resident, family member or friend, but does not apply to employees.
- Relief does not apply to common areas such as corridors and activity rooms of the residence. The mask remains mandatory at the exit of your apartment for the moment.
- To be considered fully vaccinated, 2 doses of COVID-19 **vaccine have been received for more than 7 days.**

***We wish you a warm gathering with your family!***

Green

**June 28**

## Visitors

- Indoors : Maintain 2 metres each enters the app.
- Outdoors : Maximum 9 person at a time/app. It is mandatory to go through the reception process before going to the field.

## Outings

- The same instructions to the public apply.
- Gatherings are allowed inside your family's home, as follows : 3 family bubbles for up to 10 people (distancing and masking if not all fully vaccinated).

**End of august**

## **End of color for levels.**

- **Additional relaxation to be confirmed, towards a return to the long-awaited normal!**
- **Possibly no more requirements for wearing mask and distancing in public places for people fully vaccinated with 2 doses.**

## Details

- All new rules only apply if there is no outbreak.
- The in-out log for residents, employees, P.A., visitors and all other authorized people remain mandatory (ministerial decision) until otherwise specified.

Distanciation= 2 metres or 1.5 metres with seating places.
